

KPLE-TV WELCOMES NEW GENERAL MANAGER, JOEL LYTLE

Message From Joel:

I'm Joel Lytle and recently accepted the position as KPLE-TV General Manager. I'm a veteran of 34 total years of military service (6 reserve and 28 active duty). I retired as an Army Chaplain in 2010 and since that time have served in numerous volunteer ministries. I currently Co- Pastor with Dr. Stanley Allen Faith Fellowship Church in Nolanville, Texas.

I need to say thank you to all of you who have been praying for Robin and her health, as well as, for the station. God, as always, has been faithful to heal Robin and keep KPLE-TV on the air. I know we can expect nothing less for our future.

I'm extremely excited about the call to this new position. I'm convinced that God has me here with the KPLE Family for "Such a Time as This." I know that we are facing enormous challenges set forth by the world we are currently living in. KPLE-TV is now staged in a position to be the Voice of Truth to our Central Texas Family.

God bless you all and I look forward to being God's partner in managing KPLE-TV, a Christian Voice for the Central Texas area.

Joel

Message From President of The Board, Bill Jones

On Behalf of the Board of Directors, I am excited to announce that we have selected a new General Manager for KPLE-TV. God has given us someone with a tremendous faith and a great story to be able to lead us into this next season for KPLE-TV in Central Texas.

Joel Lytle will be our new General Manager. Joel has been on the job for several weeks and is getting to meet many people in the community. The great thing is, he already knows so many people. Joel is a 34 year veteran of the US military. He served in the Air Force as a young man and then served in the Reserves and the Guard while working on his Master Degree in Divinity and pastoring a church in Missouri. In 1989 he became a Chaplain in the US Army. After a 21 year active duty career, Joel retired in Central Texas. He is active in the faith community and is a Co-Pastor of Faith Fellowship Church in Nolanville.

Joel loves to ride motorcycles and is active in the local Christian motorcycle group. He says that it is a group that can be a wonderful support for Christian television and our mission to "Reveal the Love of Jesus Christ".

With all that Joel is doing already, I know that God has brought us the right person to be our General Manager. Joel told me that it is amazing all of the people in the community that support KPLE-TV and how much Robin Durham did to establish our station solidly in Central Texas. He said that he is excited about what the Lord has in mind for him in the future serving Him through Christian broadcasting and building upon the work of Catherine Mason and Robin Durham.

We ask for your continued prayers for KPLE-TV and for Joel as he takes on this important role. I hope that you will get to meet Joel very soon and see just how excited he is about our little station in Central Texas.

Back to School

PRAYER FOR STUDENTS— by Dr. Cynthia Morris

“Father God we plead the blood of Jesus and divine protection over children everywhere as they prepare to go back to school. Thank you that no weapon formed against them will prosper. We declare that the enemy’s plans against them shall not prevail. Father thank you for imparting Your wisdom, discernment, and revelation

knowledge upon parents so they can scripturally support and direct their children in their academic pursuits for Your glory and their good. May our children grow strong in spirit, be filled with Your wisdom, and may Your grace rest upon them. Father elevate our children to be a voice to their generation to promote the Gospel of the Lord Jesus Christ and advance the Kingdom of God. In Jesus name. Amen!”
