

PLEASE TAKE THE TIME TO READ THIS VERY IMPORTANT LETTER

Dear KPLE Family,

We hope you had a wonderful Christmas and ushered in the New Year thanking the Lord for His goodness and faithfulness. The Lord is good; His mercy is everlasting; and His truth endureth to all generations! I stand in awe of God and of His enduring Word that still has the power to save those who hear it! We thank the Lord for all of you because without your support through the years KPLE TV would not have had the honor of amplifying His "Voice" to Central TX. We are so grateful to Him for all He has done through KPLE with your help for over 24 years! Yes that's right, this **June will mark KPLE-TV's 25th Anniversary!**

Almost 400 of you attended our December 5th banquet! Close to 40 churches and ministries were present making it an amazing evening of worship and fellowship and unity. I believe it was a pivotal evening. It was a **call to the region** to step up and take responsibility, to steward the gift called "KPLE-TV" that the Lord has placed in our midst. The Lord challenged us to **"look beyond our own immediate needs and look out at the Central TX region"**. He used the story of Gideon and the army of 300 that were ultimately chosen to take back the land. If you recall they were qualified or disqualified by how they drank. Judges 7:5-7 gives the account. Some lapped the water with their tongue like a dog, some bowed down on their knees to drink. However, those that lapped, putting their hand to their mouth, I believe looking out with an eye to the land, were the 300 called to fight with Gideon and defeat the Midianites. **They were taking in the refreshment they needed but they were looking out over their territory expecting a great harvest! Lift up your heads, the fields of Central TX are ripe for harvest!**

The Lord knew that KPLE-TV was going to be in need of an army in the days ahead to continue to care for and broadcast the Good News to over 400,000 souls in Central TX that need Jesus desperately.

December 29th we received unexpected news from Trinity Broadcasting Network. For 24 years we have been an affiliate and they have sent the station just under \$7000.00 per month to carry their programming. They let us know that they would not be renewing the contract with us for 2018. **We of course are still allowed to carry their programming but will not receive any funding.** The \$6895.00 we received monthly helped with general operating funds, and equipment repairs. **I believe the Lord will bring in this amount and even above and beyond with your help.**

I would ask each of you to seek the Lord. We are doing the same and listening for the Lord's direction and His provision. KPLE has been a very giving ministry. The word says "Give and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again." At this time KPLE-TV needs to receive that measure.

KPLE continues through the example set by Catherine Mason, to give into and serve the region in so many ways. **Please review** the enclosed list of ministries and organizations KPLE has helped this year by giving free airtime, and sharing our tithe locally. We have worked with all of them to feed the hungry, shelter the homeless, and care for the needy. This is the mission and purpose of KPLE-TV.

This little local station has done what no big station could ever do. It has given and given, and loved being able to give both the Word and service. **We are that regional broadcasting “hub” of ministry and service, connecting churches, ministries, service organizations, and agencies with our viewing audience.**

Well friends, I have shared honestly with you. I would ask you to pray and ask the Lord how you can stand with KPLE at this time. **I believe the Lord is calling for the army of Gideon to arise. There is a harvest of souls that KPLE can reach that others cannot.** There are many voices competing for the hearts of man in this hour. His Voice through KPLE cannot be lost on our watch. I know you agree. **You are the faithful or you wouldn't be receiving this letter.**

Pray for us. Please let us hear from you and **thank you** in advance for your response. Your help in the past and continued support is the reason we are here. We would ask you pray about becoming a monthly donor at this time as it would provide a monthly base of support we can count on. **A Gideon's army of 300** committing to \$25.00 monthly would equal \$7500.00, giving us what we need to continue the mission!
